Quality Policy

The basic purpose of CEVaC Ltd is to be recognized as a quality supplier of Fixings, Fasteners, Accessories and Tools for Industrial and Commercial use in Insulation, HEVAC, Process Machinery, Maintenance and Safety applications.

This will be achieved through:

- Consideration of context of the organization and aligning the Quality Management System with the strategic direction of CEVaC Ltd.
- Satisfying customer and complying with applicable statutory and regulatory requirements.
- Management of organization, along with employee-established quality objectives and defined responsibilities for their fulfillment.
- Establishing, applying, maintaining and continual improvement of effectiveness of Quality Management System – ISO 9001:2015.
- Continual enhancement of customers' satisfaction.
- Tracking and applying new technologies and educating employees.
- Careful review and selection of suppliers.
- Commitment to increase quality of our products and service in order to exceed customers' expectations.
- Making continuous improvement an aim of every day and every job.
- Ensuring that our Policy and Procedure Manuals reflect what we actually do.
- Understanding how our jobs fit into the overall flow of work at CEVaC.
- Continuously upgrading the Quality Management System in all stages ranging from order receipt through production, to shipment and to after sales service.

The framework for setting quality objectives is defined in the Quality Manual.

Chairman is responsible for communicating the Quality Policy to all persons working for or on behalf of the organization and making it available to the public.
